## Rental Rates and Fees

## Rules and Regulations

The Walnut Creek Historical Society (WCHS) makes the grounds available for rental on a limited basis in order to increase public awareness and raise funds for the continued preservation of a historic landmark. The WCHS will not discriminate in the renting of its grounds on the basis of race, color, national origin, religion, gender, age, sexual orientation or physical disability.

The renter will be charged from the time of arrival until the time of departure. The rental time includes time needed for decorating, set up and cleanup.

### Rental Rates and Fees

- Initial Reservation Deposit: \$300.00 non-refundable pursuant to the terms of this Rental Agreement
- \$400 per hour
  - Three (3) hour minimum
  - Hours reserved must include time for decorating and take down/clean up
  - Included in rental rate are 150 chairs and 30 tables
- \$200 set up/take down and custodial fee will be added for wedding/events for more than 150 guests
- \$500 Damage Deposit – fully refundable if premises are left in good condition
- \$100 for use of kitchen – optional

The fees recited above are subject to change, and generally increase each year on or about April 1, upon written notice to the Renter. Once a contract is signed, no fee increases will be imposed and any changes made to contract regarding hours reserved or additional services requested will be made at the rates in effect at the time of contract execution.

### Reservations and Contract Execution

The facility will be rented on a first come, first served basis depending on availability. A minimum deposit of \$300 is required to hold the desired date. The Contract, Rules and Regulations and ancillary documents must be signed and delivered, and the Reservation Fee paid upfront at the time the Facility reservation is made. Failure to timely submit such paperwork and pay the Reservation Fee will subject the event to cancellation at the sole discretion of WCHS.

WCHS requires payment in full of the remaining balance (including Damage Deposit and any applicable fees) thirty (30) days prior to the event.

In case the event is reserved for a date that is sooner than 30 days prior to the reserved date, then the signed contract and all corresponding Fees and Deposit are due in full upon the date of reservation and execution of the contract.

Additional charges for every 30 minutes beyond Renter's contract time will be charged at a rate of \$350 per hour and deducted from the Damage Deposit, if not prepaid.

- **NO DECORATING IS PERMITTED DURING SCHEDULED REHEARSAL TIME. Decorating time must be scheduled into hours rented and no security is available to protect your property.**

**Renter's initial \_\_\_\_\_**

## **Insurance**

The renter must deliver a Certificate of Insurance to the WCHS at least 30 days before their event. The Certificate of Insurance must carry minimum liability coverage of \$1,000,000 and must name the WCHS and the City of Walnut Creek as additional insured, at no cost to the WCHS. The renter is fully responsible for any damage or loss caused by the renter, its agents or guests, including but not limited to any loss of or damage to the Shadelands grounds, buildings or WCHS equipment. The renter agrees to pay the WCHS for any such damage or loss and will indemnify and hold the WCHS harmless for any damage, loss, injury or death to the person or property of renter, its agents or guests.

## **Cancellation by Renter**

If the Renter cancels at least 120 days prior to the event, all monies paid will be refunded, except the Reservation Deposit.

If the Renter cancels less than 120 days in advance, but more than 30, WCHS shall retain 50% of all Fees payable under this agreement, excluding the Reservation Fee. Notwithstanding the foregoing, to the extent a Damage Deposit has been paid by the time of cancellation 100% percent of the Damage Deposit will be returned.

All cancellations made less than 30 days in advance shall result in the forfeiture of all Fees payable under this agreement, with the exception of the Damage Deposit, which will be returned in full to the extent it has been paid at the time of cancellation.

In all cases, monies received toward payment of the full amount of the Rental Agreement shall first be applied to all rental fees and additional fees required and/or contracted for. Monies received for Damage Deposit will be applied after all such other fees have been paid in full.

## **Cancellation for Inclement Weather**

The Renter acknowledges that Shadelands is a strictly outdoor facility and that the Renter bears the risk of cancellation due to inclement weather. As a gesture of accommodation, to the extent there is another date available; WCHS will allow an event that is cancelled due to inclement weather to be transferred to another available date at a charge of \$100. If no transfer is made, Renter will forfeit the entire Rental Fee, but will be refunded the Set Up Fee and the Damage Deposit.

## **Cancellation by WCHS**

WCHS reserves the right to cancel the event without refund of any fees or deposits in the event Renter has not made full payment of all fees and deposits within 30 days of the event as contracted.

While it is extremely unlikely to occur, and WCHS will provide as much advance notice as reasonably practicable, WCHS reserves the right, including during the use of the Facility, to cancel the event and terminate this Agreement in cases of emergency, casualty, damage to the Facility rendering it, in the sole determination of WCHS, unfit or unsafe for use. This cancellation right applies to events including, but not limited to threats of violence, earthquake, fire, flood, or other act of God that renders the Facility unsafe for use, and government orders beyond the reasonable control of WCHS. In the event of a cancellation by WCHS pursuant to this provision, all deposits and fees (other than the reservation fee) shall be refunded to the Renter and WCHS shall have no other liability to Renter. For the avoidance of doubt, in no event shall WCHS be liable for any indirect, incidental or consequential damages related to an event cancellation for any reason by WCHS.

Renter's initial \_\_\_\_\_

**Transfers**

To the extent another desired date is available; the Renter may transfer the reserved date to another available date at the Facility, at no fee, provided the request for transfer is made at least 120 days in advance of the original event date. If the transfer request is made less than 120 but no more than 60 days before the original date, transfers to an available date are subject to a fee of \$100.

Except under the Inclement Weather Policy, no transfers shall be allowed less than 60 days prior to the event.

**Renter's Responsibility**

It is the Renter's responsibility to keep WCHS informed at all times of the correct contact information including address, phone numbers and email addresses. It is the Renter's responsibility to inform WCHS of any requests or special instructions for return of refundable Damage Deposit. In the event error or delay is caused in return of Damage Deposit because of Renter's negligence in keeping WCHS apprised of contact information, Renter shall be responsible for payment of any charges associated with stop payment and/or reissuing of lost or delayed deposit return.

**Acknowledgment**

My signature certifies that I take full responsibility for seeing that the use of the Shadelands Ranch grounds by the group or organization I represent is in full adherence and compliance with the WCHS Rental Rules and Regulations outlined above.

### Article 2. Noise

#### 4-6.201 Purpose of Provision.

It is hereby found and declared that:

- a. The creation or maintenance of excessive noise or vibration which is prolonged or unreasonable in its time, place and use is deemed to be a serious detriment to the public health, safety and quality of life of the residents of the City; and
- b. Therefore, it is the intent of the City to control and, in some instances, prohibit noise and vibration which may impact the health, safety or welfare of the citizens of Walnut Creek. (5410 and by §1, Ord. 1753, eff. 11/8/90)

#### 4-6.202 Definitions.

Loud Noise is defined as excessive or unreasonable noise, sound or vibration which endangers the comfort, repose, health, peace or safety of others within the limits of the City. The determination of whether a noise is unreasonable shall be based on, among other things, consideration of the hour, place, nature, and circumstances of the emission or transmission of any loud noise.

Holidays are those days enumerated in the resolution of the City Council entitled "Resolution Enumerating Holidays" on file in the office of the City Clerk. (5411 and by §1, Ord. 1753, eff. November 8, 1990)

#### 4-6.203 Prohibited Noises Enumerated.

As used in this article, loud, excessive or unreasonable noise shall include, but not be limited to, the following:

- a. Radios, Phonographs, etc. The use, operation or maintenance of sound, from any radio, musical instrument, phonograph or other device designed for the production or reproduction of sound in such a manner as to disturb the peace, quiet and comfort of individuals on a public street, or in or near a residence, business or other such occupied structure. The creation or maintenance of such noise in such a manner so as to be plainly audible at a distance of fifty feet (50') from the source of such noise shall be prima facie evidence of a violation of this Section.
- b. Loudspeakers and Amplifiers for Advertising. The use, operation, or maintenance of any loudspeaker, sound amplifier or other machine or device used for the production or reproduction of sound which is directed toward, or cast upon or across, a residential or

commercial property line for the purposes of commercial advertising unless a permit for such sound is secured from the Chief of Police. The Chief of Police may issue a permit, subject to reasonable restrictions.

Such restrictions shall be based upon the area in which the proposed broadcast is to occur, the hours of the proposed broadcast, and the method by which such amplification or broadcast shall occur. In residential zones, a permit shall be granted only for broadcast during the hours of 8 a.m. and 6 p.m. on weekdays which are not holidays and between the hours of 9 a.m. and 5 p.m. on weekends and holidays but such amplification shall not be plainly audible from a distance of more than 50' (fifty feet) from the source of such amplification. In all other zones, a permit shall be granted only for broadcast during the hours of 8 a.m. and 9 p.m. on weekdays, weekends and holidays but such amplification shall not be plainly audible from a distance of more than 50' (fifty feet) from the source of such amplification.

The applicant for such a permit, if the same is denied for cause, may appeal this denial to the City Manager. The City Manager shall thereupon issue or deny the permit. Any permit issued by the Chief of Police may be revoked by either the City Manager or the Chief of Police if the applicant violates any of the conditions set forth in the permit.

c. **Distraction of Drivers of Motor Vehicles.** The use, operation, or maintenance of any horn, radio, machine or device used for the production or reproduction of sound which is directed to, or cast upon, public streets or highways which distracts, or is intended to distract, the attention of drivers of motor vehicles, unless operated to request assistance or warn of a hazardous situation. The creation or maintenance of noise by animals in such a manner as to be plainly audible at a distance of 50' (fifty feet) from the source of such noise shall be prima facie evidence of a violation of this Section.

f. **Construction or Repair of Buildings.** The erection, construction, demolition, alteration or repair of any building, structure or residence that requires a permit, or the excavation of any earth, fill, streets or highways that requires a grading permit, other than between the hours of 7:00 a.m. and 6:00 p.m. on weekdays which are not holidays, or those precise hours of operation enumerated in individual building and grading permits.

If the Chief of Code Enforcement determines that the public health, safety and welfare will not be impaired by the erection, construction, demolition, alteration or repair of any building, structure or residence during hours other than permitted in the preceding paragraph, and if he or she further determines that loss or inconvenience would result to any person in interest, he or she may grant permission for such work to be done, the specific hours and days of operation to be enumerated in the permit.

If the City Engineer determines that the public health, safety and welfare will not be impaired by the excavation of any earth, fill, streets or highways during the hours of the first paragraph of this subsection and if he or she further determines that loss or inconvenience would result to any person in interest, he or she may grant permission for such work to be done, the specific hours and days of operation to be enumerated in the permit.

In case of urgent necessity in the interest of public health and safety, the Chief of Code Enforcement or the City Engineer may issue a permit to conduct such emergency work for a period not to exceed three (3) days or less while the emergency continues. Such permit may be renewed for periods of three (3) days or less while the emergency continues.

This Section shall not be construed to require a permit for a public utility engaged in any of the aforementioned activities provided reasonable effort is made to minimize noise disturbance while such work is in progress.

g. **Maintenance Equipment.** The use and operation of any noise-creating commercial or residential landscaping or home maintenance equipment or tools including, but not limited to, hammers, blowers, trimmers, mowers, chainsaws, power fans or any engine, the operation of which causes noise due to the explosion of operating gases or fluids, other than between the hours of 8:00 a.m. and 7:00 p.m. on weekdays and 9:00 a.m. and 7:00 p.m. on weekends and holidays. a. The provisions of this article shall not apply in actual or threatened emergency situations such as those caused by natural or man-made disasters.

- c. Schools within the City's limits using maintenance equipment may commence at 7:00 a.m. on weekdays which are not holidays but are otherwise subject to the limitations set forth above. (§1, Ord. 1753, eff. November 8, 1990)

d. If the Community Development Director determines that the public health, safety and welfare will not be impaired by the operation of golf course maintenance equipment, expressly for the purpose of preparing greens and sand trap areas prior to a course being opened for play, he or she may allow such operations to occur prior to the normal operating hour limitations as set forth in Section [4-6.203](#) (g) of the Municipal Code, but in no instance prior to 30 minutes before sunrise or 6:00 A.M., whichever is later. In granting such an exemption, the Community Development Director may impose any conditions as deemed necessary to ensure that the operation of golf course maintenance equipment prior to the normally permitted operating hours will not unreasonably disturb the occupants of residences located adjacent to the golf course requesting the exemption. Exemptions granted by the Community Development Director can be revoked at any time. Decisions by the Community Development Director shall be final. (§1, Ord. 1920, eff. 2/19/98.)

#### **4-6.207 Penalty; Misdemeanor or Infraction.**

Any person who violates any provision of §§[4-6.203](#) through [4-6.204](#) shall be deemed guilty of a misdemeanor or an infraction.
